

Castle Park Elementary Fall Portrait Fundraiser

Bruce and Karen from Bruce Breedveld Photography will be back this fall for more family portraits. This is a fantastic opportunity to get your immediate or extended family together to create some memories in a covid friendly, outdoor environment. Just in time for holiday gift giving or your family Christmas cards. What could be better than getting the whole family together for some outdoor fun? Photo sessions with Bruce are relaxed and enjoyable...a walk in the park....and a great way to raise funds for our school.

See our facebook page for samples portraits.
